6

Tighten the screw (D) with the washer (F) and tighten one big O-ring (I).
Avvitare la vite (D) con la rondella (F) e fissare un O-ring grande (I).

WARNING!

Follow mounting instruction exactly. Ensure that the mounting is secure before riding. These handguards will not prevent injury in the event of a crash. They are designed to protect the hands from cold weather. Be sure that you follow the instruction for installing the handguards. Do not ride with a broken tie wrap. Check to be sure the throttle and other controls are free every time you ride. Failure to heed instruction and this warning could lead to interference with the controls, loss of control of the motorcycle, and an accident.
