## WARNING!

Follow mounting instruction exactly. Ensure that the mounting is secure before riding. These handguards will not prevent injury in the event of a crash. They are designed to protect the hands from cold weather. Be sure that you follow the instruction for installing the handguards. Do not ride with a brockentie wrap. Check to be sure the throttle and other controls are free every time you ride. Failure to heed instructions and this warning could lead to interference with the controls, loss of control of the motorcycle, and an accident.
